2021-2022**

Dear ST Bands,

I am inviting each and every one of you returning to Santa Teresa High School next year to continue with our amazing band program. Our goal is to continue with our long tradition of excellence and creating music. Next year will depend on all of you. In order to maintain our current ensembles, we need to have the proper enrollment in place.

We are in the process of looking at the students who've signed up for band for next year. It is imperative that you fill out [this form](#). Our APED and I will use this form to properly place you in your ensemble next year. If we have low enrollment next year, it will affect what we offer next year (if not enough students sign up, we will have to make cuts). Due to 3 approved vaccines and many school districts already planning school reopening, we will most likely be in person next year!

Please try your best to fit band into your schedule next year. It is critical for our band program to survive. There could be a possibility that instead of having 3 concert bands, we have 2. Another possibility is that Jazz Band or Marching Band classes aren't offered, due to low enrollment.

ALL RETURNING BAND MEMBERS: (all bands, orchestra, guitar, choir):

Please fill out this [google form](#) TODAY!

This will help us plan for next year!

Warm regards,
Mr. Sanchez

Vertical Raise

Santa Teresa HS Band Program
2/8/21-3/19/21

THANK YOU TO ALL THAT PARTICIPATED!

**We raised \$14,835
and
80% of that will go towards our band program!**

Go Saints!

Thank you so much for your support!

Music Marathon Projects Due date POSTPONED!

Due ASAP
Videos due ASAP

Music Marathon Virtual Concert: TBD in April

Since many of our students needed additional time to complete their video and audio projects, we have postponed our Virtual Music Marathon that was supposed to take place on March 19. Once we have 100% submissions, then I will release a new date for us to enjoy our Virtual Music Marathon Concert.

Concert Band: National Emblem March and Superman Returns

Symphonic Band: Billboard March and Blue Ridge Overture

Wind Ensemble: Shepherd's Hey and Star Wars-The Marches

Jazz Band: In a Sentimental Mood and Kaleidoscope

Each piece will be divided into 2 recording projects (1/2 of piece), equalling a total of 4 music submissions per band.

Video Submission: This video (not audio, since that is mixed separately through your SmartMusic Project Submissions) will have you playing your part, in concert dress (all black).

Read next section for instructions on audio and video recording.

Virtual Band Recording Instructions for Audio and Video

Our Annual Santa Teresa High School Music Marathon will be on **Friday March 19th at 7 pm**. Since we cannot gather in one place as a Band at the moment, we will still be compiling everyone's recording for the 2 pieces that your ensemble is working on. As with many organizations' projects at this time, there will indeed be an element of "building the ship as it is sailing," while I am compiling everyone's video and audio recordings to have a Virtual Music Marathon Concert! It is imperative that each and every one of you follow the strict guidelines and deadlines to make this date possible.

As last week's assignments were intended to get the ball rolling, this week will begin making recordings of the entire pieces. You will record your 2 pieces through SmartMusic, which will be split up in 2 sections per piece. *For students having issues with SmartMusic, I will upload a click track on Google Classroom that you must play along with. This click track will be the same one that is on SmartMusic. You must wear earphones when you're recording these final recordings.* This will prevent or lessen the sound of the metronome while you're recording.

If you do not have access to your parts, these are available on Google Classroom under Virtual Band Music (Jazz: Virtual Band Jazz Music). Please let me know if you're having issues accessing this, so I can send you a PDF. Since we have a deadline to meet, we would like you to aim for an initial recording before this coming weekend to begin compiling sound and assessing video.

Please stay-tuned for details as to how recordings should be uploaded, but for now, please keep testing your home capabilities.

Here are steps to maximize the quality of smartphone recordings:

These primarily apply to phone recording but are good reference points for all setups

VIDEO •

- Videos should always be filmed horizontally (landscape). This is an important step for making our videos more aesthetically pleasing and enjoyable on a wider range of devices. Please avoid vertical videos.
- Sit/stand 3 to 6 feet from the camera.
- Pay attention to lighting. Smartphones are not great in low light situations and without enough light will produce grainy video. If you have windows nearby, film yourself next to them so the light highlights the side of your face.
- Frame yourself in the middle of the shot (medium/wide) so your instrument is in full view. Also:
 - Your camera should be at eye level - perhaps a bit lower if you need to set to play – but upshots/downshots should be avoided.
 - Woodwind/string sound holes and bells should generally face the camera and listening device as they would in an orchestral setting. Brass/percussion/aux instruments generally use other area micing for sound production directionality but your body should face toward the camera if not directly to capture the instrument as well. Plenty of searchable online examples are available.

Here is an example of what your video should look like:

- The video file should be named liked this:
 - **Title_Instrument_Part_YourName**
 - **Example:** *StarWarsMarches_Clarinet_1_RamiroSanchez*
- **Dress Code:** ALL BLACK. This is a Virtual Concert. Please try your best to wear black dress clothes (Black dress shirt, Black blouse/jacket, black dress, appropriate clothes that's black). You may wear a white dress shirt if you're wearing a black jacket).

AUDIO •

- Please TUNE. SmartMusic has a tuning section.
- Smartphones have two microphones: one on the bottom of your phone (where you speak) and one on the back (near the cameras). For optimal audio/video quality, please place your phone in a horizontal position with the back of the phone facing you.
- Pay attention to the environment where you're recording. Avoid interfering sounds like wind/traffic noise or conversations in the background.
- Put your phone in airplane mode to avoid the sounds of incoming text messages, phone calls, social media notifications, etc.
- Check the volume by recording a test video. If the volume is too high, distortion will occur. If too low, unwanted noise will be added.
- Do not add any effects (EQ, compression, reverb, etc.) to your recording.
- The best way to improve audio quality is by using an external microphone. If you have access to an external microphone (or another smartphone), please use the following instructions
 - Aim the microphone or cell phone directly at your instrument, 1 to 2 feet away.
 - Check that your microphone or cellphone is not visible in your video.
 - WAV or AIFF file formats are ideal.

If you would like to view in pdf format, click [here](#).

I understand that this is a difficult time and can be challenging, so please let me know if I can answer any questions as we begin this journey together.

Thank you,

Ramiro Sanchez

WE NEED YOU!!

Band Class Registration for 2021-2022

-Symphonic Band/Wind Ensemble: Please sign up for Advanced Band. I will coordinate with Mr. Payne-Alex in properly placing you.

-Jazz Band 1: It is a requirement for you to be enrolled in a concert band, in order to be in our jazz band (since the concert bands are the core of the ST Band program.). All students will be placed in a concert band, before adding you in Jazz Band class.

-Marching Band: If you're planning on doing marching band, please request that into your schedule. This class will be in danger of not being offered next year if there aren't any sign ups. Administration looks into interest when they schedule their classes for the following year. Not enough interest will result in no marching band. Please request it. All musicians enrolled in marching band must be enrolled in a concert band (concert band, symphonic band, wind ensemble).

You need your ESUHSd district email to access. Once you've filled out the form, then you will get contacted by a ST Journalism student.

I hope that this information helps guide you when you're registering for classes for next year. Please do not hesitate to contact me at sanchezra@esuhdsd.org if you have any questions.

Sign-up info for 2021-2022

Below are the course numbers for our bands at Santa Teresa High School. It may be very confusing deciphering the catalog codes with what we call our ensembles, since a lot of our class codes have the name "Advanced Band" attached to the name. Below are the ST Band names, with the official names right next to them. All incoming freshmen should enroll in Intermediate Band, since it is a freshman level class. Once you're a sophomore/junior/senior, then you may enroll in the other bands (Symphonic Band, Wind Ensemble, and Jazz Band 1). If you're unsure in which band to enroll in, please contact Mr. Sanchez-He will coordinate with the counseling team to properly place you in either Symphonic Band or Wind Ensemble (if you're unsure, just register for Symphonic Band T1100XX-1 P-ADV Band). Remember that in order to enroll in Jazz Band, you must also be enrolled in Wind Ensemble. You may sign up for Marching Band class for all 4 years.

[Google Form for Band 2021-2022](#)

Freshman Concert Band: Intermediate Band (T1000XX-1 P-INT BAND): Freshman: Intermediate Band (All Incoming Freshman music sign up for Intermediate Band)

Symphonic Band: Advanced Band (T1100XX-1 P-ADV BAND): Symphonic Band: All returning students will sign up for Advanced Band. Mr. Sanchez will take care of properly placing you. If you're not sure, sign up for Symphonic Band.

Wind Ensemble: Advanced Band (T1100XW-1 P-ADV BAND) Wind Ensemble: All returning students will sign up for Advanced Band. Mr. Sanchez will take care of properly placing you. If you're not sure, sign up for Symphonic Band.

Jazz Band (T2150XX-2 P JAZZ ENS 204): There is a CO-REQUISITE with taking Jazz Band, which is taking Advanced Band (Wind Ensemble) along with Jazz Band.

Marching Band: Advanced Band(T1100XM-1 P-ADV BAND 1): All students that are interested in Marching Band need to register for this class.

Orchestra/Choir/Guitar for 2021-2022

Santa Teresa High School is proposing adding a choir class, orchestra class, and guitar for the 2021-2022 school year (in addition to band). If you know anyone that would be interested in joining these classes, please have them sign up for these classes. We are in the process of hiring a 2nd music teacher to teach Guitar and Choir. I will most likely teach orchestra next year.

CLASS INFORMATION

Weekly lesson plan:

You will find the Weekly Class Schedule in the link below. These are the minute-to-minute breakdown of our class schedule that is meant to guide you through our semester. I will update this schedule each weekend, to reflect what will be covered during our class period. You are expected to be participating 100% of the 90 minute class period, even though some of this time includes asynchronous assignments that you will work on independently. I am available during that time for help (you can message me through the Zoom Chat).

[Period 3 Symphonic Band \(click here\)](#)

[Period 4 Wind Ensemble \(click here\)](#)

[Period 6 Concert Band](#)

[Period 7 Jazz Band](#)

1. Late Work

The last day that Mr. Sanchez will accept any late work for this Progress Report is on Tuesday 2/23/21 by NOON. You may submit late work past Tuesday, but it will not reflect on your progress report. Also, there will be a deduction in late assignments.

2. Music Marathon

Music Marathon has been postponed. Due date TBD.

3. Smart Music

You will need to score higher than 90% on SmartMusic for me to use your sound files. PLEASE LET MR. SANCHEZ KNOW IF YOU NEED MORE TIME. He will begin editing the sound files as he gets them. If a good amount of students submit poor quality/poor score sound files or do not submit all together, then Mr. Sanchez will be forced to CANCEL/Postpone our Virtual Music Marathon Concert. Mr. Sanchez will allow you to complete these projects during class.

4. Keep in Mind!

Mr. Sanchez will be editing 8 different pieces during this 2 week period, please be mindful of that. Editing everyone's INDIVIDUAL recordings together, plus balancing/cutting/cutting background noise/etc. is a very time consuming task that he is doing for FREE (hiring a professional would cost the program thousands of dollars) on top of his teaching and personal duties. Thank you!

What is STMAA?

The STMAA (Santa Teresa Music & Arts Association) is a non-profit organization staffed completely by volunteer STHS band and color guard family members. Every band & guard member's family automatically becomes a member of the STMAA. With a few exceptions, all the benefits the band students enjoy throughout the school year are made possible by STMAA member's offerings of time, talent, and financial contributions. We appreciate and need your help throughout the entire year.

Questions or comments? Please allow 24 hours for a response as many of our STMAA board members work full-time jobs. [STMAA Board](#)
