Letter from the STMAA Board - Volunteers and Contributions

We only have a couple months left of school and still relying on the expected family fair share contributions from some families. These contributions help to fund the program for students, including transportation, skilled instructors, equipment and more. Without these funds, we will have to budget differently for next year and may be unable to continue some programs.

If you do not know what your expected family fair share contribution is, you can log into Charms to find out, or just email treasurer@santateresamusic.com

Thank you for ensuring we can continue this robust program!
