<https://secure.affinipay.com/pages/santateresamusicandartsassociation/payments>,

(3) Mail a check to STMAA P.O.Box 23761, San Jose, CA 95153

(4) Bank Zelle payment to our band bank account with our Zelle ID of [treasurer@santateresamusic.com](mailto:treasurer@santateresamusic.com)

\*Some families find it easier to break down the contribution payments into smaller increments throughout the Season (ie. \$25 per week, etc). Contributions for Marching Band/Colorguard will cover music, subscriptions, software, choreography, and instructors.

Should you have any questions regarding the contributions or wish to work out an alternative arrangement, please feel free to reach out to the STMAA Treasurer at [treasurer@santateresamusic.com](mailto:treasurer@santateresamusic.com).

We have not received payment for many students in Marching Band and Color Guard and the season just ended. Please make your payments via charm or write a check to have your student drop off in the box. Not receiving payment puts the program in jeopardy and will affect how the Marching Band and Color Guard season will look for the next few years along with other music and arts programs.

## BOARD members needed!!!

We have several board members who will be leaving at the end of the school year as their student(s) are graduating, so we are on the lookout for some people to take their place. It is not a huge commitment and almost all board members have other full time jobs. We invite you to come join our board meeting on 3/7 to learn more about positions available and how you can help! You can also email our STMAA board president, Farah, at [president@santateresamusic.com](mailto:president@santateresamusic.com) for more information

Hello STMAA families,

My name is Farah Culbertson and I am the current STMAA board president. I have a sophomore who is in band and colorguard. I also have an older son who was in the band program from 2012-2016. As an ST alumni and parent, I have watched how this program has positively impacted my friends, my children, and my children's friends, and watched these amazing young people flourish into confident performers and people.

Did you know that the district only provides money to pay the Band Director's salary, THAT'S IT! Due to that, STMAA plays a huge role in supporting the Band Program so that students have music outside of class to experience festivals, perform, and bring music to the community.

Now I am reaching out to you all with a **PLEA** to join the STMAA board. Several key members have students that are graduating this June. It is ideal to identify replacements now to have a few months to transition/shadow before the 2023-2024 school year. Maybe you aren't ready for a board position, but are interested in heading a committee, or just being part of a committee, that is great as well. As the saying goes, it takes a village. This is a great village to be a part of while making sure this program remains for your students and for students to come.

I have attached a list of all board member and committee lead positions, which can be held by multiple people and ideally have committee members to help.

If you are just interested in learning more, please email me at [president@santateresamusic.org](mailto:president@santateresamusic.org) or even join our Board meeting on Tuesday March 7 via google meets (link is below)

We have several members who will be leaving after this school year, so it is a great time to come in and learn how you can help. We hope you can attend!

The STMAA (Santa Teresa Music & Arts Association) is a non-profit organization staffed completely by volunteer band and color guard family members. Every band & guard member's family automatically becomes a member of the STMAA. With a few exceptions, all the benefits the band students enjoy throughout the school year are made possible by STMAA member's offerings of time, talent, and financial contributions. We appreciate and need your help throughout the entire year.

Questions or comments? Please allow 24 hours for a response as many of our STMAA board members work full-time jobs.

<https://santateresamusic.com/stmaa-board/>

## STMAA Board and Committee Positions Openings 2022-2023

All board positions require attendance at all board meetings (typically 1st Tuesday of each month throughout the school year). If you feel joining the board is too big a commitment, but you want to help, we encourage you to join or lead a committee. We have several committees that need volunteers. Please reach out to [president@santateresamusic.com](mailto:president@santateresamusic.com) if you want to learn more.

There are several committee positions that need to be filled. The most pressing is **STMAA TREASURER**, STMAA Financial Secretary, Holiday Jazz Cafe, which is in December, and the Music Marathon, one of our largest fundraisers. We need a chair for the music marathon and committee heads/members to secure items and sponsors for the silent auction, coordinate set up and tear down and more. Please reach out if you are able to help in any way.

**We have several board members who are leaving this year with their graduating student(s). Please consider joining the board. You can attend the March board meeting or reach out if you are interested in learning more.**

## What is STMAA?

The STMAA (Santa Teresa Music & Arts Association) is a non-profit organization staffed completely by volunteer STHS band and color guard family members. Every band & guard member's family automatically becomes a member of the STMAA. With a few exceptions, all the benefits the band students enjoy throughout the school year are made possible by STMAA member's offerings of time, talent, and financial contributions. We appreciate and need your help throughout the entire year.

Questions or comments? Please allow 24 hours for a response as many of our STMAA board members work full-time jobs. [STMAA Board](#).
