

STHS Hair Band Challenge!

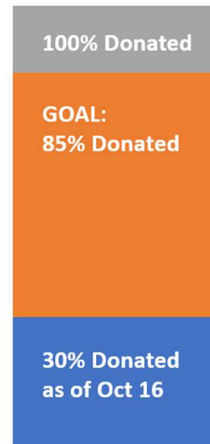

As of October 16, 2023, 30 of 100 music students have paid at least a portion of their dues. And we've received \$17,000 of the \$71,000 requested from dues. Let's boost our donations!

Everyone's contributions help the bands rock on.

Let's reach a goal of **85% participation by November 1** and raise **\$60,000+!**

Mr. Crisanto will dye his hair **BLUE** when 55 more students have made a dues payment.

And, his hair will be on fire with excitement and turn **ORANGE** when we reach \$60,000 raised through your dues, individual fundraising, and company matches.
